# HI FASHION

Introducing the 2026 Rene of Paris Hi-Fashion Collection – where modern confidence meets effortless style.

This season, refined design takes centre stage with four striking new styles created to express individuality from every angle: Brann, Ila, Loryn, and Margo. From sculpted silhouettes to soft, fluid movement, each style is thoughtfully designed to balance contemporary edge with wearable elegance.

The 2026 collection also introduces a refreshed colour palette inspired by natural warmth and modern neutrals. Caffè Misto-R is a rich, warm, creamy brown that feels timeless yet indulgent. Glazed Auburn-R delivers a vibrant, chocolatey brown infused with auburn highlights for depth, dimension, and subtle drama. For a softer, more understated look, Greige-R blends warm grey and blonde tones into a beautifully natural shade, while Sandy Beige Blonde-R offers a sun-kissed, sandy beige-blonde that feels effortless and modern.

What truly defines the Hi-Fashion Collection is its craftsmanship. Each style features innovative cap constructions engineered for lightweight comfort, natural movement, and a secure, confidence-boosting fit—allowing you to wear your look from day to night with ease.

Whether you're refining your everyday aesthetic, making an impression at work, or stepping out after dark, these designs move with you, delivering elevated style without compromise.

The 2026 Rene of Paris Hi-Fashion Collection isn't just about changing your hair—it's about expressing who you are. Confident. Modern. Unapologetically you.
